

**Amendments to the Specification:**

Please replace the paragraph at page 15, lines 6-16, with the following amended paragraph:

Also included within the central system 200 is a warning generator 185 that is coupled to the master accounting function 180. When the master accounting function 180 determines that there is a potential that a particular game device 110 is being cheated, or is malfunctioning for any reason, the warning generator 185 operates to generate a warning signal to alert casino personnel. The warning signal can be implemented in a number of ways. For instance, the warning signal may include placing the machine number on a printout list of machines to watch. Or, the warning signal may be more immediate, such as an indication on the display ~~214~~ 212 coupled to the central system 200, or an audio signal, such as a page or a radio signal sent to one or more wireless receivers 216.
